

SPELL BOOK

In your hands, you are holding the Magical Spellbook for Wizardly Duels.

The Bellbowrie Rules for Wizardly Duels are as follows:

- *All Wizards and Witches form a circle around the duelling podiums with their wands in hand*
- *The Adjudicator decides on the Order. It can be by First Name, Last Name, Height et cetera*
- *Going in Order, two Magicians step up to the podium*
- *Youngest is the first Caster. Pick up the top spell on their podium and read it out*
- *The Receiver of the spell has to react according to this spell book*
- *If the Receiver survives, they become the Caster and can cast the top spell on their podium*
- *If the Receiver dies, the next Magician in Order steps up to take their place*
- *If the Receiver is turned into a Dementer, they are out of the duel, but now they have to capture anyone who casts an **UNFORGIVABLE CURSE!***
- *The Winner is the last surviving Witch or Wizard*
- *Good Luck!*
